

ChatMessage::setContent

```
graph LR; A[ChatMessage::setContent] --> B[ChatMessage::contentChanged]; B --> B;
```

The diagram illustrates a sequence of events. On the left, a gray rectangular box contains the text 'ChatMessage::setContent'. A straight blue arrow points from the right side of this box to the left side of a white rectangular box on the right. This white box contains the text 'ChatMessage::contentChanged'. Above the white box, a curved blue arrow starts from its left side and points back to its right side, indicating a self-loop or a return path.

ChatMessage::contentChanged
