

MenuItem::setImageUrl

```
graph LR; A[MenuItem::setImageUrl] --> B[MenuItem::imageUrlChanged]; B --> B;
```

The diagram illustrates a sequence of events. It begins with a gray rectangular box containing the text 'MenuItem::setImageUrl'. A straight blue arrow points from the right side of this box to the left side of a white rectangular box with a black border, which contains the text 'MenuItem::imageUrlChanged'. Above the white box, a curved blue arrow starts from its top edge and points back to its top edge, indicating a self-loop or a subsequent action within the same context.

MenuItem::imageUrlChanged
