

MenuItem::MenuItem

```
graph LR; A[MenuItem::MenuItem] --> B[MenuItem::fromJson]; B --> C[MenuItem::setImageUrl];
```

The diagram illustrates a sequence of three operations. The first operation, 'MenuItem::MenuItem', is shown in a white box. A blue arrow points from this box to the second operation, 'MenuItem::fromJson', which is also in a white box. Another blue arrow points from the second box to the third operation, 'MenuItem::setImageUrl', which is shown in a gray box. This visual progression suggests a workflow or a sequence of steps in a process.

MenuItem::fromJson

MenuItem::setImageUrl
