

Restaurant::setLatitude

```
graph LR; A[Restaurant::setLatitude] --> B[Restaurant::latitudeChanged]; B --> B;
```

The diagram consists of two rectangular boxes. The left box is gray and contains the text 'Restaurant::setLatitude'. A straight blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'Restaurant::latitudeChanged'. A curved blue arrow starts from the top of the right box and points back to the top of the same box, indicating a self-call or a recursive action.

Restaurant::latitudeChanged
